

June 2018 President's Newsletter

The heat of summer is finally here. We had a great spring with some cooler mornings and evenings, but it's time for those 100+ days. With that in mind, the **Men's Club Monday events will now have a 7:00 AM shotgun start.** This should help us get off the course before noon.

There was a lot of positive feedback from the Guest Day we had a couple of weeks ago. Both the members and the guests enjoyed the opportunity to get together for an event here. Steve Prosenjak is working on the 2019 calendar. He is going to include 2 guest day events, one of those in season so all of the Snowbirds can have friends come in to play.

Speaking of bringing in guests, the Dry Heat Tournament is scheduled for August 6th and 7th. This is a 2 day event where members can play with either a guest or another member. On the afternoon of the first day there will be a Horserace event. So start asking your friends now to join in this fun event. The weather in early August is a little warm, but it's a Dry Heat!

The Board and General meetings scheduled for Monday June 11th, per our Event Calendar, will be postponed as there does not seem to be a need for them at this time.

Hope everyone is enjoying their summer, no matter where you are.

Thanks,

Joe Rutherford

President TLQMC
