

Gentlemen,

First off, we all want to send congratulations to the winners of the President's Cup:

A-flight winner was Ed Warman.

B-flight winner was Marv Tjalma.

C-flight winner was Tom McKenna.

The tournament was a big success and I want to thank everyone who participated. The next tournament is the Couples Club Championship on February 9th, followed by the Men's Club Championship starting on February 23. These tournaments are a lot of fun and we encourage all Men's Club members to participate. On March 13th and 14th, we will have our Member Guest tournament, it is one of the best tournaments of the year and shouldn't be missed.

REMEMBER, Monday, February 10th is our General Membership meeting - 4pm at Santa Rosa Club. Please attend this meeting, there is much to talk about - new handicap system, etc. If anyone is unsure of what has changed with the new handicap system you will find a wealth of information on the Men's Club website Tournament Information page.

On Monday the 17th we will have a 9am shotgun start instead of our normal 8am start. This is due to a NCAA tournament here at Trilogy that week.

HOLE-IN-ONE: If anyone is fortunate enough to get a hole-in-one, please let Nick Smyth know so he can get it on the website. All he needs is some basic information like date, what hole and what club was used.

Finally, a huge thanks goes out to Berry McGregor who, almost singlehandedly, is responsible for getting the leak detected and fixed so the bathrooms after hole number 9 are open and operational. We all have a certain amount of "skin" in this place and there are some things we have no control over. Let's just do our best with the things we DO have control over.

QUOTE OF THE MONTH FROM BEN HOGAN: "This is a game of misses. The guy who misses the best is going to win."
