

President's Newsletter – November 2020

Gentlemen,

Hope all is well with everyone! We are starting a new season for our Monday play this coming Monday November 2nd and as of this minute we have 49 guys signed up which is a pretty good start considering many of our "snow birds" have not yet returned to the desert. Those of you who are playing on Monday remember to read the information at the top of the signup sheet, it's important that you bring the exact change and please wear a mask when paying us (we don't need any extra cooties).

Remember the Welcome Back tournament is being held this year on December 7th, it will be a FREE tournament so be sure to sign up as soon as the flyers come out. For those of you have not yet renewed your membership, don't wait until the last minute, we would love to know as early as possible how many members we will have for next year so we can plan things accordingly.

Not much else to talk about so enjoy the great weather and get out and golf.
